About

In partnership with the New York unit of [Recording for the Blind & Dyslexic \(RFB&D\)](#), Foundation Center is making available free of charge a new audio version of our most popular book, *The Foundation Center's Guide to Proposal Writing*, 5th edition, by Jane Geever.

This is the first time Foundation Center has issued a product in audio format. The entire book is included with alternate chapters having been recorded by two New York volunteers from RFB&D. For your convenience the audio version is divided into tracks corresponding to chapters in the book. You can listen to just the chapters that interest you or download the book as a single mp3 file.
